25. [] LIAISON Received a call from Pete Bonner, Senate Appropriations Committee staff. He said that one of his colleagues on the Subcommittee on State, Justice, Commerce and the Judiciary staff, Senate Appropriations Committee, is working on the International Organizations Act and would like to have a rundown on some 13 foreign organizations in connection with the Subcommittee's consideration of this matter. Bonner has a list of these organizations which we will pick up and I told him we would check and be back in touch with him. [] is following up on this.

26. [] LIAISON Talked to Representative Richardson Preyer (D., N. Car.) (we had missed calls over the past several days). He said the matter which he wished to discuss with me was not terribly pressing but it was sensitive and involved an inquiry he has received from an individual in North Carolina. I arranged to meet with Mr. Preyer in his office at 10:30 a.m. tomorrow.
